

# Legislative Assembly of Alberta

CANADIANA

DEC 10 1991

Fact Sheet No. 15

## The Constituencies

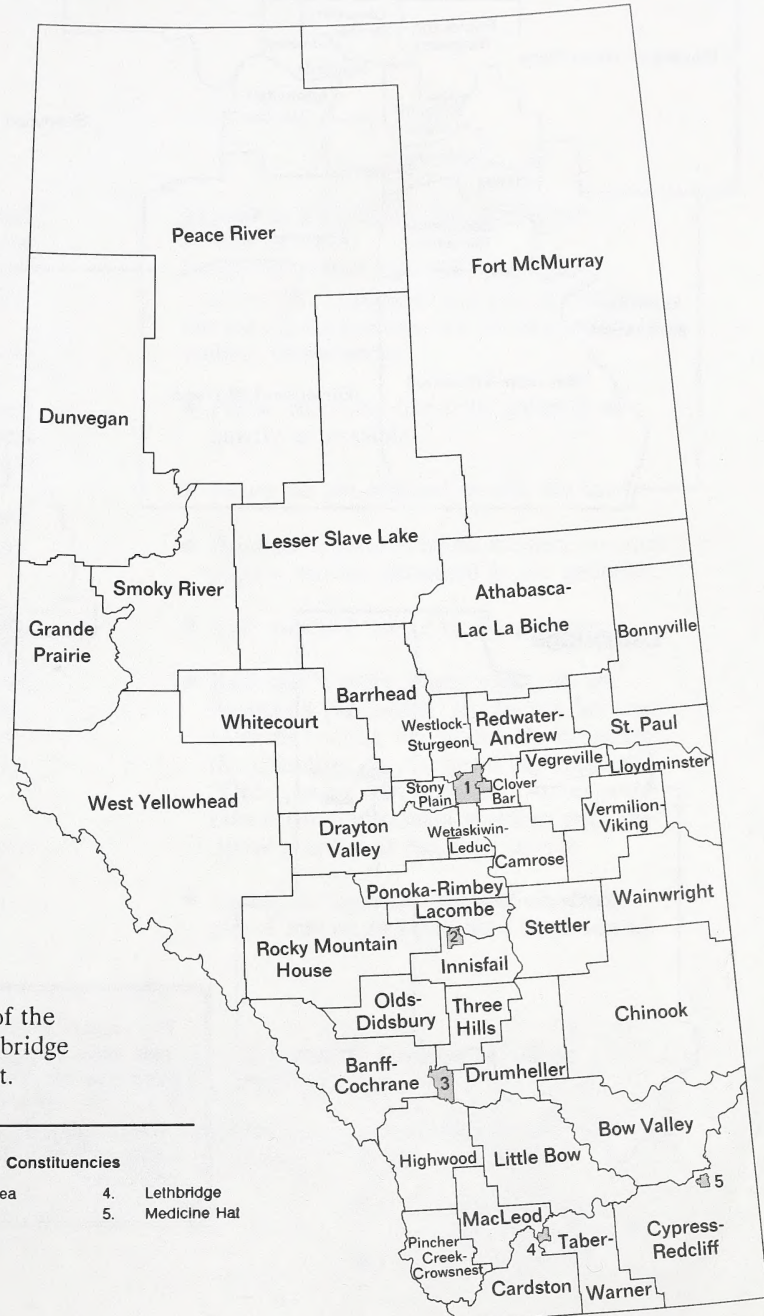

At present Alberta is divided into 83 constituencies. Each constituency is represented in the Legislative Assembly by one member, who represents everyone within the constituency's boundaries, regardless of how they voted in the last election or whether they voted at all.

The maps on this sheet illustrate the general size, shape, and concentration of Alberta's constituencies. If you are not sure which constituency you live in or which MLA represents you in the Assembly, please contact Elections Alberta at 427-7191 or write to:

Elections Alberta  
West Chambers Building  
12220 Stony Plain Road  
Edmonton, Alberta  
T5N 3Y4

The present boundaries have been in effect since 1986. **They are currently under review, however, and may be changed.**

Maps of Edmonton and area and of the cities of Calgary, Red Deer, and Lethbridge can be found on the back of this sheet.

### Urban Constituencies

- |                      |                 |
|----------------------|-----------------|
| 1. Edmonton and Area | 4. Lethbridge   |
| 2. Red Deer          | 5. Medicine Hat |
| 3. Calgary           |                 |

A map of Edmonton and its surrounding areas, showing various neighborhoods. The map is divided into several regions, each labeled with its name. The regions include:

- Edmonton and Area (top center)
- St. Albert (top left)
- Edmonton - Calder (top center-left)
- Edmonton - Glengarry (top center-right)
- Edmonton - Belmont (top right)
- Edmonton - Beverly (middle right)
- Edmonton - Jasper Place (middle left)
- Edmonton - Kingsway (middle center-left)
- Edmonton - Norwood (middle center-right)
- Edmonton - Highlands (middle center-right)
- Edmonton - Centre (middle center-right)
- Edmonton - Gold Bar (middle center-right)
- Edmonton - Glenora (middle center-right)
- Edmonton - Strathcona (middle center-right)
- Edmonton - Parkallen (middle center-right)
- Edmonton - Avonmore (middle center-right)
- Edmonton - Meadowlark (bottom left)
- Edmonton - Whitemud (bottom center-left)
- Edmonton - Mill Woods (bottom center-right)
- Sherwood Park (middle right)
- Calgary (bottom right)

The map shows the outline of the Red Deer catchment area. It is divided into two main regions: 'Red Deer - North' in the upper half and 'Red Deer - South' in the lower half. The boundary between them is a wavy line. The northern boundary is also wavy, while the southern boundary is a straight line.

A map of the city of Lethbridge, Alberta, Canada. The city is divided into two main areas: Lethbridge-West and Lethbridge-East. Lethbridge-West is the larger area on the left, and Lethbridge-East is the smaller area on the right. The city is situated on the south bank of the Bow River, which is shown as a winding line along the bottom and right edges of the map. The Bow River flows from the south and turns east towards the city. The map is labeled with 'Lethbridge' at the top left, 'Lethbridge-West' in the center of the western area, and 'Lethbridge-East' in the center of the eastern area.

## A map of Calgary, Alberta, showing its various neighborhoods. The map is divided into irregular shapes representing different areas, each labeled with its name. The neighborhoods shown are: Calgary (at the top), Calgary-North West, Calgary-Bow, Calgary-Foothills, Calgary-McKnight, Calgary-McCall, Calgary-North Hill, Calgary-Mountain View, Calgary-West, Calgary-Buffalo, Calgary-Elbow, Calgary-Forest Lawn, Calgary-Currie, Calgary-Millican, Calgary-Glenmore, Calgary-Egmont, Calgary-Shaw, and Calgary-Fish Creek. The map is oriented with North at the top.

The present boundaries have been in effect since 1986. They are currently under review, however, and may be changed.
